Flip Top Tables Bases

standard features:

- Flip-top capability for easy storage and movement
- Unique telescoping frame allows the same base to be used for tables from 48” to 72” and all the custom sizes in-between.
- Leveling glides built into the casters make ganging a breeze.
- Mid-supports on the table structure keep the tops from sagging over time
- Over-sized, locking casters for easy movement and transport.
- Accommodates surfaces from 18” to 24” deep.
